

Volodymyr Dahl East Ukrainian National University Faculty of Law

There are a contemporary and powerful center of humanitarian education and law in Luhansk region. Created in 1992, it rapidly became a leading institution that trains specialists of law and humanitarian sciences in Luhansk region.

The structure of the faculty include: The Department of Law, The Department of Constitutional Law, The Department of Economic Law, The Department of the World history and the History of Ukraine, The Department of Philosophy, The Department of culture and philosophy of culture.

There is a branch office of The General Directorate of the National Police of Ukraine in Luhansk region at the Faculty.

This year, a new specialization "The European law" was implemented as a part of educational programs of preparation of bachelors and masters of law. In the framework of the master's program of The History and archeology the educational and scientific program "History" was actually created from scratch.

The teaching staff of the University consists of the leading scientists and practitioners, who excellent command of effective pedagogical techniques, innovative technology of e-learning. Therefore, the principle of academic mobility are actively implemented, students and staffs gets training in leading professional institutions and foreign universities. Currently, on the faculty are 45 teachers, 90% of them have a scientific degree and academic rank, 9 faculty members are doctors, professors.

The faculty of Law actively develops and tries to save own academics traditions and common human values. We aim to keep atmosphere of trust and to assist an effective collaboration and development of young specialists, historians, philosophers and record managers.
